

February 16, 2023 • Osler Bluff, Collingwood

Want to build your organization's image and profile? Here's a chance to do so by seizing one of the sponsorship opportunities at Agri-Food Ski Day 2023, a dynamic, growing, industry-wide networking and charity fund-raising event. Last year we presented Ronald McDonald House Charities (RMHC) with a cheque for over \$1900.00 - all money raised from 2021 Agri-Food Ski Day! We will be supporting RMHC again this year.

Thursday, February 16, 2023, marks the 21<sup>st</sup> Anniversary year for Agri-Food Ski Day. Last year we hosted more than 120 participants. The venue is Ontario's premier private ski club, Osler Bluff at Collingwood. Imagine practically no waits at the ski lift holding you up from carving your mark on the well-groomed slopes! Osler has installed a new high-speed chairlift at the Orchard Lodge which means more vertical skiing than ever!

This is your event ... an industry event. Bring your customers and your colleagues. Make it a company day, or a customer appreciation day. You could even make it an association day under the umbrella of Agri-Food Ski Day. Let us know your wishes and we'll work with you

Last year's 2022 corporate sponsors included Ingredion, RLB LLP, OAC & Meyers Norris & Penny. We would love to include you again - or add your name to the list.

**Here's what you can do...**
