February 2025
Osler Bluff, Collingwood

To Whom It May Concern,

Agri-Food Ski Day is an annual event held every February at the beautiful and private Osler Bluffs Ski Resort in Collingwood! Year after year, participants from all parts of the agri-food industry and community come out for a full-day of great skiing, networking, and giving back. This event supports Hamilton's Ronald McDonald House Charity and to date we have contributed over $34,000.00 dollars through our 50/50 draws and silent auctions.

As a local business owner, you know how costly large initiatives like this can be. In order to give back to our community and support the Ronald McDonald House the best we can, we are asking businesses and community members to donate a product, service or experience for our silent auction. Please let us know if you would be willing or able to donate for this great cause.

If you like to help sponsor our event, please let us know. All levels of sponsorship are welcomed. For donations of $500 and greater, sponsors will be recognized and will receive one free registration. Sponsors will receive an additional registration for each additional $500 contribution.

We would also love to have you at our event! Registration can be found at https://agri-foodskiday.ca/ or you can reach out to Kelly Alves at kelly.alves@ofa.on.ca.

Thank you for your support.

Sincerely,
The Agri-Food Ski Day Committee
